Upcoming Closures

We will be closed for the Fourth of July Holiday, **Monday, July 4th**.

Central Air Is On

We have turned on our air conditioning now that the warmer weather is here. **Please always make sure to close the door tightly behind you when coming and going. Also, please do not allow your child to stand with the door open while they wait for you.** THANK YOU!!

Appropriate Shoes

Please try to refrain from dressing young children in flip flops or crocs for daily wear this summer. We will be visiting many parks and playgrounds that have pea gravel and or wood chips. Children spend a lot of time sitting down and emptying it out of their shoes....this also scratches and hurts their feet. Additionally, flip flops and Crocs do not do well at the sprinkler parks. We have noticed they become very slippery and the kids fall a lot while wearing them.

Small Change to Summer Camp Schedule

Each summer after we have done a week or two of our summer camp, we find we need to make a few minor changes to our schedule that will help us out and benefit the children more.

The kids are enjoying bowling- however, we are finding they tend to get a little bored as they wait for their turn to bowl. And though we get 3 lanes, they are young children and it takes a long time to play one game. What happens while waiting for their turn to bowl, is unwanted behaviors. I want to make sure our field trips are set up to be successful for the kids, and to elicit good behaviors. Therefore, I've decided bowling would be more suitable for our group every other week. The Friday's we do not bowl, we will add an additional day of swimming at the Apex Center. The weekly cost is actually \$.25 cheaper. I feel the kids will enjoy an extra day of swimming, after all it is summer! ☺

Thank You for all of the donations for pizza and gas, I greatly appreciate it!

Please remember to put sunscreen all over your child daily!

JULY 2011
