A field trip Waiver is required for each child for this field trip. If a waiver is attached to your newsletter, please fill it out and bring it in with the Field Trip Fee. There is a **\$6.00** field trip fee that is due with your child's tuition on **Monday, November 17th**.

Policy Handbooks

I have made some changes to the policy book over the course of the year, and will be distributing them in December for your reference. As I have many to print, I will be sending out 2-3 at a time. Please initial the *Receipt of Policies* page and return to me on the date specified on your Policy Book. If you have any questions, please speak with me.

Winter Clothing Items

Snow and cold weather are almost here and I would like to make sure the children are prepared for our Outdoor Play. I firmly believe that fresh air is vital to a child's development, and that it is important for children to be able to get out and run and use their large motor skills on a daily basis. Additionally, snow can be a great sensory experience and a lot of fun for kids. Unless the weather is extreme outside, we will be visiting the outdoors for a minimum of **10 minutes per day** (our time outside will be longer if the weather is warm/mild). I of course will use good judgment when considering weather conditions (wind chill factor, etc).

It is vital that your child has the following items available in his/her cubby each day:

- Warm Coat
- Warm Hat
- Mittens (water proof please – your child will want to touch the snow!)
- Snow Boots

I suggest having extra of the above items to leave here for your child so that he/she always has them ready for outdoor play. I do have a few extra mittens/hats if necessary, please keep in mind that they may or may not fit your child. However, I will not have extra snow boots or warm coats so please do not forget to provide these clothing items for your child daily or when appropriate. The ground may be muddy after the snow melts, you may still want your child in boots so their shoes do not get wet and muddy.

Thank you for your cooperation, we always enjoy winter here and look forward to the fun!

WET SHOES AND BOOTS

I would also like to take this opportunity to ask that when the ground is wet outside due to snow or rain, that the children remove their shoes at the front door upon arrival. Please have him/her place their shoes or boots on the rug at the entrance. This will help to keep the floors dry and prevent falls and injuries.
